

Preschool Preview

Preschool provides a nurturing and caring environment for 3 and 4 year olds based on Christian values. We team with parents to develop their child's social, emotional, physical and spiritual growth. We provide Kindergarten readiness skills for the 4 year olds working within their own developmental abilities.

Bible Curriculum

Preschool 3 Our focus is to lay the foundation for the Christian way of life. An understanding of God is conveyed through our various themes.

Preschool 4 God & Children - *ACSI*
