

DOWNERS GROVE

Christian School

Preschool 2 & 3 Curriculum

General Information

Preschool 2 and Preschool 3 classes provide a nurturing and caring environment based on Christian values. We partner with parents to develop their child's social, emotional, physical and spiritual growth. We meet children where they are at and lovingly work with them to help them grow in their listening skills, their ability to follow directions, their vocabulary, and their social development. Preschool 3 students must be potty trained.
